- We work to create an environment that is challenging, inclusive, and enjoyable where team members feel appreciated and valued.

D. ABOUT AL SALAM ADVOCATES

Founded in 2013, Al Salam Advocates was established with a clear vision: to deliver sophisticated and high-quality legal services. Since its inception, the firm has consistently ranked among the top-tier law firms in the Kingdom of Bahrain and across the region.

Our practice spans a broad spectrum of legal disciplines, supported by extensive experience, deep knowledge, and robust resources. Al Salam Advocates applies a personalized and professional approach in rendering services to its clients.

At Al Salam Advocates, we adopt a personalized and professional approach, ensuring that each client receives tailored solutions. Our team comprises highly skilled attorneys with expertise across diverse areas of law, serving both corporations and individuals who demand the highest level of legal proficiency.

We are dedicated to helping clients achieve their business objectives by delivering innovative solutions to complex legal challenges. Our clients rely on us for strategic advice that is accurate, thorough, and cost-effective.

Operating under civil law, common law, and Islamic legal systems, we advise on domestic and international matters, local and cross-border transactions, day-to-day operations, and the most challenging deals.

Al Salam Advocates' client base includes local, national and international companies across a broad range of sectors, ranging from emerging businesses to multinationals, as well as public sector entities.

E. WHY CLIENTS CHOOSE US

Clients rely on Al Salam Advocates for matters of significant legal and commercial importance due to our demonstrated capabilities and uncompromising professional standards. Our firm is distinguished by:

- **A proven history of successfully handling complex and high-value matters**, reflecting our ability to navigate sophisticated legal issues with precision and sound judgment.
- **Extensive insight into governmental processes and regulatory frameworks**, enabling us to guide clients through intricate compliance environments with clarity and confidence.
- **Broad multidisciplinary expertise** across key areas of law, ensuring that clients receive comprehensive and coordinated legal support.
- **A steadfast commitment to confidentiality, integrity, and ethical practice**, which underpins every aspect of our client representation.
- **Strategic, forward-looking legal advice**, informed by deep sector knowledge and designed to mitigate risk while advancing clients' long-term interests.
- **A dedication to cultivating enduring client relationships**, characterized by personalized attention, responsiveness, and a consistent focus on delivering value.

F. AREA OF PRACTICE

Al Salam Advocates offers a full spectrum of legal services. These services are structured into three main business divisions:

- Litigation and dispute resolution services, focusing on litigation and alternative dispute resolution in the form of mediation and arbitration; and

- Corporate and commercial legal services, focusing on transactional and regulatory services; and
- Corporate secretary and corporate governance services.

Litigation & Dispute Resolution Services

Our Litigation and Dispute Resolution practice is distinguished by its strategic depth, rigorous advocacy, and unwavering commitment to protecting our clients' interests. We handle complex, high-value disputes with precision and discretion, drawing on our deep understanding of regulatory, commercial, and industry-specific frameworks. Whether navigating sensitive negotiations, pursuing arbitration, or representing clients before the courts, we deliver outcomes-focused strategies grounded in experience, insight, and sound judgment.

Al Salam Advocates' lawyers are skilled in litigation, arbitration, investigations, and ADR and will deploy that experience to help you devise the best strategies.

Al Salam Advocates delivers comprehensive advice and representation across litigation, domestic and international commercial arbitration, mediation, and complex compliance and regulatory disputes.

Al Salam Advocates handles a wide variety of domestic and international disputes, and its team has extensive experience in commercial and civil litigation in various fields, such as banking and finance, aviation, construction, insolvency, debt recovery, insurance, corporate and communications.

Al Salam Advocates also handles specialized disputes, including Director, Executive & Employment disputes, administrative & regulatory disputes, intellectual property disputes, criminal litigations ... etc.

Our services also include pre-litigation intervention. Al Salam Advocates works with clients to deliver timely and cost-effective advice developed within the framework of agreed objectives.

For businesses, and in-house legal teams, Al Salam Advocates can assist in the development of strategies to avoid or resolve disputes and can help in investigating the complexities of litigation once a matter has reached court/arbitration.

Corporate & Commercial Services

Our Corporate and Commercial Services are designed to meet the needs of modern enterprises seeking clarity, efficiency, and trusted legal guidance. We advise on corporate formation and restructuring, negotiate high-value commercial agreements, and offer comprehensive support on governance, compliance, and day-to-day corporate matters. Our approach combines deep market understanding with strategic foresight to ensure that our clients' commercial decisions are both legally sound and commercially advantageous.

Al Salam Advocates has many practice areas under the umbrella of its corporate/commercial services. These include all aspects of banking and finance; Islamic finance; international trade, real estate; leasing; intellectual property; labour and employment; aviation; maritime; telecommunication; and insurance.

Our associates are highly skilled in preparing complex corporate and commercial contracts and agreements across diverse business sectors.

Al Salam Advocates also provides services to clients looking to trade and operate in the Kingdom of Bahrain who will typically be required to register a legal entity such as a company, a foreign branch, or a representative office.

Our associates can advise on matters relating to starting a business or changing the structure of existing businesses.

Corporate Secretary & Corporate Governance Services

Providing corporate secretarial and governance services is not only an area in which we possess longstanding expertise, it is a core pillar of our firm's strategic vision. Our deep-rooted association with the Ministry of Industry and Commerce has further strengthened our capabilities in delivering robust, reliable, and compliant corporate governance solutions.

Al Salam Advocates offers comprehensive corporate secretarial services and governance delivered by a qualified and experienced team, including:

- Serving as board secretary, attending board meetings, and recording minutes.
- Preparing share certificates.
- Acting as share registrar for closed joint stock companies.
- Drafting standard shareholders' and directors' resolutions and minutes.
- Monitoring and ensuring corporate compliance with all applicable legal and regulatory requirements, including the Bahrain Commercial Companies Law, the Corporate Governance Code issued by the Ministry of Industry and Commerce, and the CBB Rulebook.
- Preparing complete documentation for Annual General Assembly Meetings, including agendas, invitations, proxies, and minutes.
- Handling commercial registration matters and annual renewals.
- Assisting in the removal of violations issued by governmental authorities.
- Filing all annual compliance reports, such as financial statements, economic substance reports, and corporate governance reports.

Also, Al Salam Advocates provides both technical and practical support to directors and advice on corporate governance issues that may arise.

In addition to secretarial services, Al Salam Advocates provides both technical and practical support to directors and executive leadership on a wide spectrum of

corporate governance matters. Our team advises boards of directors — both collectively and individually — on issues including:

- Board structure and composition.
- Board committees' structure and composition.
- Drafting of board committee charters.
- Evolving trends and best practices for corporate governance, including review, and updating of charters and bylaws.

G. PEOPLE

Our firm is distinguished by exceptional teams that craft and execute innovative legal strategies, each one meticulously tailored to the unique contours of every matter, no matter how complex, sensitive, or high-stakes. We approach each engagement with intellectual rigor, strategic foresight, and an unwavering commitment to delivering results that advance our clients' objectives.

We draw our strength from the diversity of our people. Our lawyers come from a wide range of backgrounds and nationalities, a blend that enriches our perspective and enhances our ability to serve clients across industries and jurisdictions. This multicultural foundation enables us to continually expand the breadth and depth of our services, strengthen our global network, and provide nuanced solutions informed by a sophisticated understanding of regional and cross-border dynamics.

At the heart of our practice is the deep, enduring trust we build with our clients. We see ourselves as strategic partners, standing shoulder to shoulder with those we serve, helping them confront challenges with confidence, navigate uncertainty with clarity, and seize opportunities even in unprecedented times.

Together, these strengths define who we are: a firm committed to excellence, driven by innovation, and trusted by clients who rely on us to guide them through their most critical matters with skill, integrity, and unwavering dedication.
